## Vision

Enthusiasm and Love of God and Neighbor to inspire and encourage interpersonal relationships in the St. Joseph Faith Community in order that an atmosphere of sharing our faith, time, talent, treasure and hospitality will expand the Kingdom of God.

## Prayer

God of all peoples, how blessed we are to gather in faith at Eucharist, for it is in Your Word and Sacrament that we discover that we are the Community called the Body of Christ.

Our St. Joseph Parish Vision is filled with enthusiasm for loving God and neighbor because Your Kingdom expands, Creator Father, in an atmosphere of interpersonal relationships.

May we the members of St. Joseph Parish continue to grow in faith during our Pastoral Planning Process, so that our Parish Vision will be fulfilled as we discover that as parish we are Community in Christ.

Amen.

**Nineteenth Sunday in Ordinary Time**

**TREASURES FROM OUR TRADITION**

In 1794, a young Irishwoman befriended two widows aboard ship while emigrating to America. They bought a house in Philadelphia and began to live a community life under the direction of a priest. Soon they relocated to Washington. There, the “pious ladies,” as the neighbors called them, were asked by their priest friend, by then the president of Georgetown University, to begin a religious community. In 1799 they established a branch of the Visitation Order founded by Saint Jane de Chantal and Saint Francis de Sales in the 1620s.

The unique vision of this order followed a sensible routine, less arduous and more flexible than most traditions, and also accepted widows and older women. Amazingly, this American outpost of the Visitation began without reference to the “rule” of the Order. Most of the European convents had been lost under the “reign of terror,” and the rules and customs of the community could not be obtained. A copy of the rule was discovered in 1812, and in 1816 the pope officially established the monastery. By then, some French nuns had regrouped, and they sent a habit and cross to be copied. (No religious wore the habit in public in the United States until after the Civil War.) From the beginning, the Georgetown nuns had an educational mission, even though they discovered in the “rule” that such work was officially off-limits for the contemplative life. In America, the nuns depended on a school for their livelihood, so the rule was adapted. Today, the Academy of the Visitation is a thriving example of excellence in Catholic education, and the adjacent monastery is the oldest monastic foundation in the original thirteen United States.
